WIN NEWS

From the Coach's desk.

By Nick Theodorakopoulos

Tonight we welcome Frank Arok and South Melbourne, as all matches in the Ericsson Cup they will be another difficult opponent of the Wolves.

Tonight is our 4th home match after the break (Olympic Qualifiers) and the pleasing aspect has been that we have yet to lose a match against quality opposition. It

was pleasing to see Tony Perinich get back on the scoring sheet last Friday night against Sydney United and as I said before Tony Perinich and Mario Jerman will be a feared striking force in years to come. If we can reproduce the free flowing attacking style of football week in and week out not only will the crowds come back to Brandon Park Stadium but the Wolves will find themselves in higher position on the ladder.

Matthew Hersley our club captain once again showed his great ability to perform in any position at any time during the match against Sydney United, a genuine skipper who leads by example. A win tonight will not only be good for the supporters and players but also see the Club in 11th position after many many weeks and I am sure with the spirit and high level of commitment that is around our player, 3 points against South Melbourne is not beyond us.

Youth Team Report...

By Dennis Trevor

There was a lot like about our performance against the very strong Sydney United side the game was one to remember for the high standard of football displayed by both sides.

With injuries and suspensions causing us major concerns we were required to dig deep into our player strength and I am happy to report that all players performed with distinction, a great effort that deserved maximum points.

Keep up the good work lads!
